### About This Game

Tired of lead, rubber, pointy objects and a constant fear of impending doom?

Then you should try Butterfly Moment, where all you have to do, is catch pretty little butterflies while admiring great views on a lush island.

- Catch butterflies from stationary positions with your magic net.
- Unlock new zones by catching more butterflies.
- Travel (Teleport) between zones at any time.
- Enjoy a unique and beautiful view from each zone.
- Set your own pace.

Relax, unwind and let your rhythm guide you. Visit Butterfly Island.

This game is very simple. Catch butterflies.

Its not very well made considering how simple it is. It could be a neat first experience for a child, but my 5 year old so got bored of it FAST. He asked me "Is this all you do in the game?".

I had hoped for a bit more depth, but the price was fair when I bought it on sale. I would not recommend buying it unless they do major additions.
