About This Content

This second feature of Sci-Fi Music Pack by Joel Steudler includes intense and dramatic BGM suitable for Sci-Fi, cyberpunk, steampunk adventures and much much more!

Set the mood in dystopian city-worlds, desolate alien landscapes, and the home planet of your robot overlords. Boldly battle cyborgs, navigate modern menus, and chart a path through techno dungeons with this mighty music pack.

This pack contains:

- 25 BGM tracks suitable for sci-fi, futuristic scenes and more!
- 15 MEs (Musical Events) to set the mood.
- 100 sound effects .
- .ogg and .m4a formats included.
